temporary worker in an industrial warehouse. Defendant has a criminal record that includes several weapons and VUCSA charges.

- 2. The AUSA proffers that the defendant was involved in an incident involving the discharge of a firearm two weeks after the charges alleged in Count 1 of the Complaint. Several months later, the defendant was allegedly involved in a drug transaction and attempted to elude arrest. A loaded firearm was found under one of the seats of his vehicle.
- 3. Defendant poses a risk of nonappearance due to a history of failing to comply with court orders, and his status awaiting sentencing on county firearms charges. He poses a risk of danger due to the nature of the instant offense and his criminal history, which includes several firearms and drug related convictions, including a recent firearms offense.
- 4. There does not appear to be any condition or combination of conditions that will reasonably assure the defendant's appearance at future Court hearings while addressing the danger to other persons or the community.

It is therefore ORDERED:

- (1) Defendant shall be detained pending trial and committed to the custody of the Attorney General for confinement in a correction facility separate, to the extent practicable, from persons awaiting or serving sentences or being held in custody pending appeal;
- (2) Defendant shall be afforded reasonable opportunity for private consultation with counsel;
- (3) On order of a court of the United States or on request of an attorney for the Government, the person in charge of the corrections facility in which defendant is

confined shall deliver the defendant to a United States Marshal for the purpose of an appearance in connection with a court proceeding; and

(4) The clerk shall direct copies of this Order to counsel for the United States, to counsel for the defendant, to the United States Marshal, and to the United States Pretrial Services Officer.

DATED this 2nd day of November, 2007.

Mary Alice Theiler

United States Magistrate Judge
